1. Naik Y, Baker P, Walker I, Tillmann T, Bash K, Quantz D, Hillier-Brown F, Bamba C. The macro-economic determinants of health and health inequalities—umbrella review protocol. *Syst Rev.* 2017;6:222 <https://doi.org/10.1186/s13643-017-0616-2>.

The economy has been defined as a ‘social domain that emphasizes the practices, discourses, and material expressions associated with the production, use and management of resources’ [8].

It should have been:

The economy has been defined as a ‘social domain that emphasizes the practices, discourses, and material expressions associated with the production, use and management of resources’ [52].
